Give a Dam Fundraiser for Congo

Name: _____

On Saturday, December 29th, I will be participating in the Give a Dam fundraiser to raise money for Project Congo, a local non-profit that raises money for victims of the humanitarian crisis in the Democratic Republic of Congo. Participants will be running repeats on the Caesar Creek Dam between 8 a.m. and 6 p.m. to raise money and awareness for those affected by war in the DRC. Please consider making a donation or pledging a small amount per repeat completed. Any amount of support is appreciated. Thank you!
